

THE WOMEN'S PLAYER EXPERIENCE  
PATTI BUTCHER GOLF ENTERPRISES  
JUNE 12,13,14, CANADIAN LAKES, MI

Women golf lovers, get your season started right and have a great time doing it! This three-day golf experience, led by 2010 LPGA Professional of the Year, Patti Butcher, is NOT a swing make over....it is three days of taking what you already do and making it easier to repeat, resulting in a lower 2026 handicap...for real! Most women amateurs have not been coached on stroke saving course management, mental game strategies, short game techniques or practice tactics.

Because as a player, you know the range is very different from the golf course, your weekend will begin at 2:00 Friday playing 9-holes for fun so I can observe what works and what doesn't, where it matters, on the golf course. Following play, we will gather for dinner and drinks and begin our journey setting some goals and beginning our discussion on mental game techniques. We will adjourn roughly at 8:30 pm.

Saturday, we will begin on the range at 9:00 a.m., where will cover proper warm-up and you will get feedback on how to become more consistent by working on the one or two things in *your* swing that will help you hit it more solid, more often. Before lunch, we will work on putting and chipping, the real scoring opportunities. After lunch together, we will head to the wedge range and work on 40–100-yard shots; how to hit them and how to practice effectively. We end this full day, playing 9-holes integrating our learning, completing our time around 5 p.m.

Sunday morning, we will begin at 9:00 a.m. ensuring that each of you are clear on all the information that has been covered and how it applies to you and your game. We will also cover trouble shots prior to completing our school at 11:30. You may add on golf at The Royal following school for an additional fee.

You may commute from home or contact Raenelle Wilhelm (231) 972-7676 for condo rental right across from The Royal Golf Club with access to indoor pool, spa, sauna and work-out facility.

TUITION: \$495 INCLUDES ALL GOLF, INSTRUCTION, DINNER, LUNCH, SNACKS, GIFT
